

CLAP EXERCISE [Marine Drive, Ernakulam]

Marine Drive is a popular hang out for both the local populace and the tourists. The message “Daily Exercise Control Diabetes” has come through loud and clear among hundreds of people who thronged through the long walkway of Marine Drive.

The fantastic response and participation of people for **CLAP EXERCISE** theme of PLAY THE BLUE campaign voiced strong support for the state wide Diabetes awareness campaign at Ernakulam, the commercial capital of Kerala.
